Dear Frank, Alda and the Entire Staff of New York Catering,

On behalf of The Explorers Club and its membership, I would like to thank you all for your incredible efforts this weekend in support of our Annual Dinner activities.

We had many events planned, and we are deeply appreciative of the long hours everyone put in and the hard work that was done.

I received many compliments from members on the fine quality of the food that was served and the professionalism of everyone on your staff. You all performed wonderfully under the most difficult of conditions.

When I give tours of the Club, I always mention that we have a wonderful in-house caterer. I am thrilled that the members and guests who visited the Club this weekend were able to witness this firsthand.

Thanks again.

Best wishes,

Jeff Stolzer  
Communications and Events Director
