Dear Mr. Wiese:

The Board of Directors of the New York City Ballet recently held an event at The Explorers Club, and I just wanted to pass along our appreciation for your wonderful club. Alda Spina and her staff did everything possible to ensure a memorable evening. And despite our renowned reputation for being perfectionists (all that staring in the mirror!), all of our expectations were well met.

You have a beautiful, fascinating club. Our only regret was that the weather did not cooperate to allow cocktails on the terrace. Next time, perhaps we will be more fortunate.

Once again, thank you for your professionalism and hospitality.

Best wishes,
