Dear Frank & Alda:

Thanks again for your assistance and patience in handling the Panterra Travel Evening February 11, 2003.

Your staff was excellent and the arrangements you made for the event were all handled smoothly. I also appreciate the help in planning in the event as this was the first event I have ever planned of this nature. Your aid insured that the evening went smoothly - which it did.

I look forward to hosting future events at the Club and having NY Catering handle the arrangements.

Sincerely,

Suzie Shride-Felipa
